

Corrigendum to

“Chitosan oligomers – synthesis, characterization and properties”, Authors: **DANIELA AILINCAI, IRINA ROSCA, LAURA URSU and ANDREI DASCALU**, *Cellulose Chem. Technol.*, 56 (7-8), 767-776(2022)

Regarding the section: **Supramolecular architecture by WXRd and POM** in Figure 6, the image presented for the sample O3 in Figure 6 was replaced with the following one:

O3

Figure 1. POM image for the sample O3
